

Inclusion Ambassadors

Harriet Graham and Junior Jarratt are this year's ambassadors responsible for promoting inclusion; making sure everyone feels included regardless of their individual qualities.

If you feel left out and need someone to talk to, pop along to see Mrs Champion and she'll arrange a meeting for you with one of the ambassadors.

Year 2 Community Walk

Year 2 had a fantastic trip walking around the local area on Wednesday. For many of the children, it was their first school trip. The children's attitudes and behaviors were fantastic, modelling our school values by being respectful to the public and determined to use their mapping skills! Children used their Ordnance Survey maps to locate local amenities and applied the Geography skills they had learnt in class out on the street.

I am really proud of how much the children learnt. Take a look at the photos on our school website. Mr Baker

Online Safety

Please remind children how to keep themselves safe online. There is updated advice on the home page of our school website.

If your child brings grapes to school in their packed lunch, please cut them in half for lower school pupils to avoid choking hazards.
