## Year 6 Field Trip

We were blessed with good weather this week which helped year 6 pupils have a great time enjoying their outdoor pursuits at Danbury and Grangewaters. There have been technical hitches with our website but hopefully these will be resolved quickly so you can see the photos of the amazing time everyone had.

Thank you to all the staff who accompanied the children— without their tireless dedication and enthusiasm, this week would not have been possible.

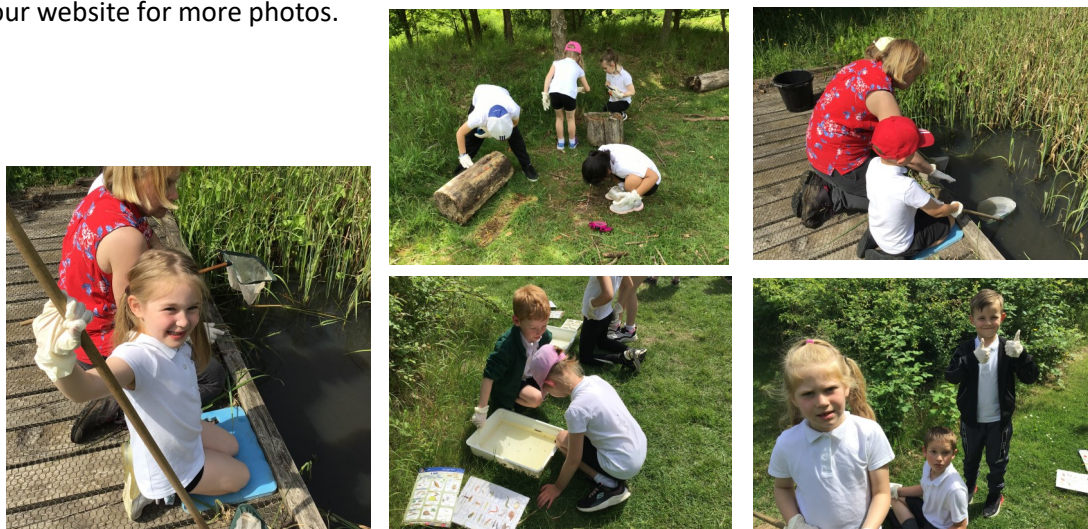

## Year 2 SATs

Congratulation to all the children in year 2 who worked really hard this week to complete their SATs papers. All the staff are really proud of you!

As a reward, children spent an afternoon in the outdoor area at upper school. Take a look at our website for more photos.

### Travelling Book Fair

**Tuesday 24th & Thursday 26th May 3.15-3.45pm**

During the school day, children will have time to look at the books with their teacher and books can be purchased after school.

To space out the event, we recommend FS-Y2 parents visit on Tuesday and Y3-Y6 on Thursday. If you are unable to attend the date or have children across year groups, please choose the most suitable day for you.

Payments can only be made online and [the link](#) to the webpage will be displayed in the hall. Staff will be in the hall to support with payments and any questions. Please enter through the main office at upper school from 3.15pm.

### Year 3 PE Festival

Year 3 spent the morning yesterday at North Crescent school, competing in a variety of sporting activities against other schools in Wickford. They had a fabulous time even though many found the trek there and back tiring!

Thank you to parent helpers and volunteers who accompanied the children.

### Girls Football Match

Congratulations to the Y5 girls from our football team who played in a mini tournament this week.

They beat Grange 3-0, with Isla scoring a hat trick, and lost to Runwell 0-1.

### Platinum Jubilee Fun

Remember it's non-uniform day next Friday (wear **red**, **white** and **blue**), Jubilee picnic lunch and after school fun.

### Pupil Absence

If you take your child on holiday, please complete a Leave of Absence form. Holidays will not be authorised because maximising pupil attendance at school is essential for their learning. However, honesty is our first value because this is equally essential for children's learning. Please don't put children in the awkward position of lying to their friends about their absence.
