Beauchamps High School – Visits and Open Evening

Dear family,

In light of the current situation with the COVID-19 pandemic, I am writing to update you on our provision for visits and Open Evening this year. In these challenging and uncertain times, I hope that this letter reassures you that we are doing everything we can to ensure that you receive all the information required to help support you and your child as you begin the important process of selecting the secondary school most suitable for your child.

All secondary school headteachers in the Wickford, Basildon and Billericay area have made the joint decision to cancel any Year 6 visits, Open Evening and all information sessions, as our priority must be the safety of all our pupils, parents and staff.

Therefore, all of our provision will be made available virtually on our website. We are currently updating this in order to provide you with everything you and your child needs to know. We are looking to launch this from Monday 5th October. You will be able to expect to see: a welcome video from myself, which covers all the information I would present on our Open Evening, a virtual tour of our school, video links to subject areas, responses from our current Year 7 students as well as a few other surprises.

In addition to this, our school prospectus will also be made available online via our website. There you will find more information about our transition process as well as information on our Year 7 curriculum and beyond.

Should you have any queries, please do not hesitate to contact Lisa Donald or Susanne O'Neill via email admissions@beauchamps.essex.sch.uk.

We hope that you enjoy the virtual experience available via our website and hope that you choose Beauchamps as your child's secondary school. We look forward to welcoming you and your child as part of the Beauchamps family.

Yours faithfully

Mathew Harper
Headteacher
