

Punctuality

The school office is located at the upper school site. Should your child arrive to school late, they must be taken to the office where they can be signed in and registered correctly. Staff will take lower school children across the road afterwards.

Flu Immunisation

Please ensure you have completed your child's flu consent form to enable them to receive their immunisation on 22nd October.

Complaints are still being received about parents and carers standing by the railings outside the school gates. This is causing congestion and preventing others from walking past safely.

Please wait for children in the designated areas or further away from the school gate.

Outside Achievements

Zoe Biggs (4SB) has achieved her Brownie Bronze Award.

Parent Emails

Please only send emails that do not require an immediate response. If your message needs to be read on the day you send it, handwrite a note for your child to give to their teacher or telephone the school office.

THIS SCHOOL IS A

Packed Lunches

Please remember that we are a nut free school.

Parent Survey

We would really appreciate your feedback on how well you feel school is supporting your children so that we can continue to improve. Please follow the link to complete this year's survey electronically.

Secondary School Virtual Tours

Bromfords virtual tour for prospective students in September 2021 went live yesterday and Beauchamps will be live from Monday. Secondary school applications close on 31st October 2020.

Please look at their school websites for further information.

Shoes and Coats

As the weather is becoming wetter, please make sure children have a spare pair of shoes and a waterproof coat in school. These can be plimsolls to change into for the classroom, or wellies/ trainers to change into for playtime & outdoor learning. We are trying to get outside as much as possible, so children may get wet feet. Please make sure they are named and provided in a carrier bag to hang on pegs.
