

## Year 1 Home Learning Bingo Autumn 2

Complete one of these activities each week. Keep a record in your Home Learning book by writing, drawing or gluing in a photo. Tick your Bingo grid to show which ones you have completed. (You should have two left over by the deadline.)

### Create a Solar System

Can you create and label your own Solar system? Look at the night sky and research all the different planets and what they look like. You could draw the solar system in your book or make a collage and take a photo to stick in your book.

### Describe what you can see outside your window.

Watch 'Window' by Jeannie Baker

<http://www.viewpure.com/4JLVneJa1Is?start=0&end=0>

Draw a picture or make a collage of what you can see outside when looking through a window from inside your house. Can you describe the setting? Can you see houses, shops, grass, fields, or animals in your view? Use your senses to write a sentence to describe what you can see. Can you include adjectives?

### Explore The Great Outdoors!

Enjoy exploring the great outdoors and visit a beach, forest, park, river, or maybe even go camping! Try to collect some natural materials and use them to make a den or do some leaf threading to make a necklace or maybe create an animal collage or even a natural potion! Take some pictures of your creation and your trip. Maybe you would like to make a collage or document your day in a diary format!

### Learn about the seven Continents

Watch <http://www.viewpure.com/uIt5HHjCqIq?start=0&end=0> – make a list of the seven continents and write some facts about each. Make a shaker instrument to compliment the song! You could use a yoghurt pot and rice or a plastic tub and pasta and decorate as you wish! Enjoy using it to sing along!

### Tidy your environment

Learn about the importance of disposing of rubbish safely and reducing the amount of waste we use to limit the impact on the environment. Watch

<https://www.bbc.co.uk/newsround/54269725>

Can you tidy your house or organise a safe litter pick with your adults and friends to help to clean the local environment? Remember to take pictures and think about how it makes you feel. What school core values have you followed?

### Learn how to write and say your name in a different language.

In the United Kingdom and all over the world a variety of different languages are spoken.

Can you find out how to say a simple phrase like hello in a different language and make and decorate your own name card or hello sign by writing it in another language like French, Spanish, Chinese, Arabic etc.

### Recycling

Learn about why it is important to recycle materials

<http://www.viewpure.com/7UuUeoyYmxI?start=0&end=0>

Can you help to recycle some objects at home? Write or follow some simple instructions to recycle an object and create something new! It could be a bag, flower pot, or old clothes that you could change into something new!

**Remember to take photos of your creation!**

### Telling the Time

DIY Sun & Moon Clocks

One of the amazing things about our world is that time passes by! Practise telling the time to the hour and half past the hour on the following website and then make an analogue clock of your own to practise some more!

[https://mathsframe.co.uk/en/resources/resource/116/telling\\_the\\_time#](https://mathsframe.co.uk/en/resources/resource/116/telling_the_time#)

**Bring your book to school on Monday 15<sup>th</sup> December 2021**
