Dear Parent / Guardian,

Maya Workshop

To enrich the children's learning about our history topic, we have organised for the children to take part in a Maya workshop on **Friday 13th May**. This will take place during the school day in our hall and classrooms.

We have been able to book an expert for the day to run these workshops and share their experiences to inspire the children and promote their learning about our topic. This visit will give the children opportunities to get hands-on with history, involving an archaeology Investigation where the children will learn how to be archaeologists. Other planned activities include

- Pottery Making: The children will create their own Maya pottery out of clay.
- Maths: The children will be introduced to the strange symbols that make up the Maya numbering system.
- Dance: Using masks that the children will have made before the workshop, the children will take part in a Maya celebration and learn how to dance like a Maya.

We can only go ahead with our plans with your support, so we are asking for a contribution of £5.50 per child.

If you have any questions, please do not hesitate to contact us through the year 5 email: Y5-21@wickford-pri.essex.sch.uk.

Please complete this [form](#) by 2nd May 2022.

Yours sincerely,

The Year 5 team

Mr Botwright, Mrs Berris & Miss Hayward
