Dear Parent / Carer,

Year 6 Extra Swimming

I am writing to let you know that we have managed to organise for your child to have some extra swimming lessons next half term to help them develop their skills. The aim for primary children is to swim competently, confidently and proficiently over a distance of at least 25 metres and be able to perform self-rescue in water-based situations. We anticipate that these extra lessons will help your child reach a 'secondary-ready' standard before heading off to secondary school in September.

There will be no charge for these extra lessons as we will cover the cost from school funds. Please make sure your child has their swimming kit in school every Tuesday for the whole of next half term, starting on Tuesday 7th June.

If you have any questions, please do not hesitate to contact your child's teacher via the year group email.

Yours sincerely,

Mrs Ramet
Headteacher
