The Tiger Who Came To Tea, Don't Forget the Bacon, The Secret Path, Katie in London, The True Story of the Three Little Pigs Non-Fiction: Topic Loan Box

Near and Far

Year 1 Summer 1

GEOGRAPHY

We will be learning about our country and understanding geographical and physical differences within. We will be learning about key features of countries of the UK, naming cities and looking at aerial views. We will make comparisons of different capital cities.

MATHS

2 digit number recognition, partitioning into 10's and 1's, number facts, addition and subtraction above 20 and crossing tens boundaries, measuring weight and capacity, representing data on block graphs, doubling and halving numbers, recognising halves and quarters of shapes, coin recognition and solving money problems and giving change..

RE

We are learning about special things in nature, in relation to Christianity and Islam. We will be learning about creation stories and why it is important to look after our environment and animals. We will be identifying aspects of the natural world that we enjoy & understanding morals of stories.

DT

We are learning to explore a variety of fruits and vegetables and learn how to cut, grate and peel. They will then design, make and evaluate their own fruit kebab.

ENGLISH

Narrative: The Highway Rat, Lost and Found, The Tiger Who Came To Tea, The True Story of the Three Little Pigs Non-Fiction recount and non-chronological report writing

PSHE

We are learning about managing risk and ways to keep ourselves safe. We will learn about people in our community who can help to keep us safe and what to do in an emergency and how we can help others.

SCIENCE

We are learning to describe physical properties of everyday materials and make simple comparisons. We will carry out absorbency & transparency experiments and will classify and compare materials according to their similarities.

PE

We will be engaging in Bootcamp style activities this term. In Athletics, we will be learning field techniques and how to throw, aim, and jump with increasing control and accuracy.

MUSIC

We are learning to appraise, perform and compose a song that is in 6 styles of music (Blues, Baroque, Latin, Bhangra, Folk and Funk).

COMPUTING

We are learning to conduct surveys and produce pictograms and graphs using digital tools. We will sort information and present data using a graph.
