

Dear Parents of Wickford Primary,

I would like to invite your children to join me for German club after school on Tuesday's until 4.15pm. I am a French teacher at Beauchamps High School but am working with the local primary schools to offer children the opportunity to learn some German in addition to French that they already study. This is an exciting opportunity as there are very few schools in the area which offer German as a subject and learning a second foreign language can really boost children academically.

At German club we will be:

- Learning new language to introduce ourselves and talk about the world around us
- Learning about Germany and German speaking countries
- Singing songs and playing games
- Reading stories
- Learning about (and tasting) German food
- Doing German-related arts and crafts
- Watching German films and programmes

I really hope to see some of your children there,

Mrs M Lefever
