

Dear Parent or Guardian,

EBC Inspire is an operating kid's outdoor multiskill fitness camp in Essex, we come into schools and run sessions that will focus on team work, communication and we will work with the kids to ensure they are working to best of their ability.

Your son/Daughter school has recently secured Inspire for this term and we would really like to have as many pupils attend the club.

The club will be on Wednesday After School 3.15-4.15 for Year 3, 4, 5, 6 3.15-4.15 starting Wednesday 1st November -6th December (6 sessions)

All your child will need is appropriate clothing that you don't mind being muddy and a bottle of water. (please note all sessions will be held outside regardless of weather)

Using different growth mind-set techniques, we will engage pupils to work as a team, work in different age groups and complete tasks leaving them with a positive attitude. All this will be achieved using different equipment such as cargo nets, tyres, poles, logs.

In order to secure your child's place you will need to book and pay through our new online portal TEAMUP, its very easy and quick to sign up.

<https://goteamup.com/p/2846976-ebc-inspire-ltd/courses/93762/>

Deadline for sign up will be Monday 30th October 2023

Total cost for the sessions £30.00

In the event the minimum number of spaces are not filled all monies will be returned to parents and the club will not run for that term.

Yours Sincerely

Wesley Chimmunchlam

EBC Inspire Director
