

## English

Narratives and non-chronological reports:

Supertato, Supertato: Evil Pea Rules, Walter the Wonder Snail, Max the Brave, Superbat

List poems:

Superheroes

Children will learn a range of early writing and reading skills including use of capital letters, finger spaces and full stops.

## Phonics

This term the children will be continuing to learn phase 5 graphemes along with phase 5 tricky words. We will identify gaps and address these as we move through the phase.

## Science

Children will deepen their learning about materials from last half-term, and make more comparisons using greater vocabulary. Children will learn about materials that float, sink, are transparent and are opaque.

## Art

We will explore the art work of Andy Warhol. Exploring his use of colour, repeated images and technique of printing. We will create our own pop art, art work all linked to the superheroes topic!

## Geography

Children will learn about different maps, how to read them and create simple maps of their classroom, the playground and the local area. Children will suggest ways of improving our playground.

## RE

Children will be answering the question:

*'How does a celebration bring a community together?'*

Children will be learning more about Islam and Christianity.

## Computing

Using the software *sketch pad* to create different pieces of art work. Through this children will develop skills in using a variety of tools, mouse skills and how to log on and log off a computer.

## PSHE

Children will learn about who is special to them, why they are special to them and how to show respect to their family and friends. We will look at the people that make up our families.

## Maths

Children will deepen their understanding of numbers up to 30 by ordering and comparing numbers, their addition and subtraction bonds to numbers up to 10, recognising and understanding the values of coins up to £2, counting on and back y 1, 2 and 3, position and direction and measuring lengths.

## PE

Yoga – children will learn about mindfulness and body awareness. They begin to learn poses and techniques that will help them to connect their mind and body.

Sending and receiving - develop their sending and receiving skills including throwing and catching, rolling, kicking, tracking and stopping a ball.

## Outdoor learning

In outdoor learning, children will be using natural materials to create artwork. Children will continue to develop their listening skills and will work as part of a team.

## Topic Vocabulary

Superhero, special, kind, helpful, power, transform, brave, fearless, cape, mask, costume, disguise.

## Music

Children will learn the song 'Banana Rhythm Rap' and they will be taking part in singing and will follow instructions on how and when to play an instrument.

# SUPERHEROES RULE!
