

History

We will be learning about what a monarch is, comparing different monarchs and developing key skills such as ordering events and asking and answering questions.

Science

We will start by learning about the human body and the five senses.

We will use what we have learnt to make links with other animals and how they adapt their bodies.

RE

In RE, we are learning all about Judaism. We are learning about the creation story and what Jew's do to remember Shabbat.

DT

During our DT lessons we will explore different mechanisms used in books and create our own. These include, wheels, sliding and pivot mechanisms.

PE

In gymnastics we are going to explore and develop basic gymnastic actions on the floor and using low apparatus.

In invasion games, children will play in teams to develop team skills and sending and receiving skills.

PSHE

In PSHE we will be learning about money and the choices we have with it. We will learn how to save money and keep it safe.

Reading and Phonics

We will be reading, listening to and exploring:

- Fiction
- Non-fiction
- Poetry

We will learn a poem or rhyme every week as part of rhyme time.

In phonics we will learn more phase 5 GPCs and tricky words.

Music

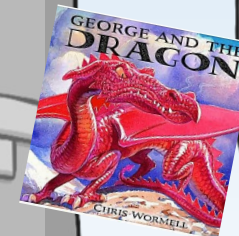

We will be learning 'The Dragon Song' and developing our music skills, particularly using our voice and woodwind instruments.

Maths

We will be learning:

- Numbers and counting
- Place value
- Number facts
- Fractions
- Addition and subtraction
- 3D shapes
- time

English

We will be learning how to use...

- Question marks
- Exclamation marks
- 'and' to join clauses
- Applying phase 5 graphemes

Castles and Dragons
