Showing Kindness to our Neighbours

It is with sadness that I have to share that we have had a complaint from a local business close to our school regarding parking and rudeness of our parents. We ask that our parents model our school rules of being Kind and Safe as we are all part of the WPS community.

Harvest Festival

On Friday 3rd October, we will be celebrating Harvest by coming together for a special assembly. The children will sing Harvest songs and we will discuss the importance of sharing our kindness. We kindly ask that families support us by donating any non-perishable food items. Trolleys will be placed outside upper and lower school throughout all of next week. Items will be donated to the local food bank and families from our own school community. If you would benefit from a food parcel, please request one [here](#).

GFOL Workshop

Year 2 had a brilliant time going back in history to 1666 this week through Drama and Art activities. The children looked amazing.

Year 6 Residential

Our year 6 children have had a fantastic yet extremely tiring time in Norfolk this week. Some highlights from the week include buggy building, caving, climbing and laser tag. To find out more on our website, click [here](#).

Year 6 in School

Our year 6 who stayed in school have also had a fun time cooking, den building, scavenger hunts, litter picking, nightline and much more.

Our School Priorities for 2025-2026

Every new school year, we set targets for areas we want to work on as a school. This year our priorities are:

- 1) Improving Writing
- 2) Creating a culture of calm, kind and safe behaviour.
- 3) Improving Curriculum design and leadership.

For more details, see our parent-friendly plan [here](#).

Nasal Flu Spray

The school nurses will be returning on 14th October to give the Y6 children their flu vaccination. For those in FS-Y5, if your child was not in or if you have now decided you would like your child to receive the vaccination on 14th October please complete the form below.

Please click the link below to complete the flu vaccination form. **This form needs to be completed by all parents and carers to either give or decline your consent.**

Christmas Cards

Class
Fundraising™

It's time to get creative!

Your child came home with an artwork template for Christmas cards last Friday. We have been advised that creased entries will be declined. If your template is creased please apply a flat piece of paper to the template and create your design on the paper that is not creased which must be the same size as the template. Please refer to the email that was sent you last week via teachers2parents which outlines what your child should and should not do when creating their design.

Please make sure you write your child's **NAME** and **CLASS** at the top of the form in block capital letters. All artwork should be handed to your child's teacher no later than **Friday 3rd October**.
