dates.

To safeguard our children,
please remember that
phones are not permitted at
school events.

Parking

As our second value is positivity, I always strive to ensure this newsletter focuses on the positives. However, I am flabbergasted by the actions of a small minority of parents & carers who are putting our children at risk by parking illegally in Irvon Hill Road. The congestion caused again this week was really dangerous.

There is free / low cost parking available very close to school. Please use this before one of our school community is seriously hurt.

I have already met with Mr Francois, our local MP, we have already submitted requests for additional traffic calming / parking restrictions, and a petition, to Basildon Council and an apology had to be issued to Carter's Funeral Directors last week after cars were parked on their private property. I now have a meeting with Councillor Shields representing Spencers Court.

We are all part of the Wickford Community so please do your part. Thank you, Mrs Ramet.

DOJO Targets

As you will be aware, children are awarded DOJO points for demonstrating our school values. The winning child each week from each class is awarded a certificate in Celebration Assembly on Friday. The points for all children in the class are totalled and, when the class achieves their target, the whole class enjoys a DOJO reward. Children choose this democratically; this encourages all children in the class to work together, achieve together and celebrate together.

4AY, 3EC & 3CG have already achieved this half term's DOJO target. Well done!

National Fitness Day

We celebrated Fitness Day last Wednesday to promote physical and mental well-being.

NATIONAL FITNESS DAY

World Mental Health Day HELLO YELLOW

Children (& staff) are invited to **wear yellow** on **Friday 10th October** to raise awareness of World Mental Health Day.

What makes you feel happy? How to you look after your mental health?

We will be talking to children in assembly and completing some activities in class to help children understand what mental health is, how they can stay mentally healthy and what they can do to help themselves when they are feeling sad, alone or worried.

Click [here](#) to find out more about Young Minds. The world can sometimes be a tough place to grow up in and we want children to know that they don't have to go through this alone.

Y4 Anglo-Saxon Day

Year 4 had a great time today! They took part in various activities and quizzes, played games, and listened to stories and tales about the Anglo-Saxons.

Harvest

Thank you for your generous donations. Please apply [here](#) if you would like a food parcel. All remaining food will be donated to our local Foodbank next week.

Mrs Ramet & Mrs Randall had a salad making competition in assembly today using fresh produce. Mrs Randall's salad was judged to smell the nicest, taste the nicest and have the best range of colours. Apparently she was also the tidiest chopper! Well done Mrs Randall.

Upper School Play Equipment

Please remember that our school gates close promptly at 3.20pm and children should not be playing on our equipment after school.

Thank you

Let's Celebrate!

Finley Marsh, 4AY received the Trainer of the Day trophy for working hard at training with his football team.

Ollie Swindells, 6LG played in his football match and his team won 4-1. Ollie scored 2 goals and was awarded Man of the Match.

Ollie Beal, 4JM, was awarded five Cub Activity Badges - Athletics Plus, Hobbies, Home Help, Nights Away level 5, and Physical Recreation.

Well done to this week's winners:
