Remembering Helen

The swim team at Wickford Swim and Fitness have shared some sad news that their instructor Helen, has passed away. Helen was a kind and patient teacher who helped many of our children feel happy and confident in the water. She will be greatly missed.

We send condolences to Helen's family from all at Wickford Primary School.

The swim team would love to see drawings of your memories with Helen. Please hand them to reception at Wickford Swim and Fitness.

If you would like to donate to Helen's chosen charity please follow the below link:

Upper School Stationery

A letter has been sent separately regarding items which would be useful in upper school children's pencil cases. Pupil Councillors and teachers have agreed these items.

These are not essential as school can provide necessary equipment but it helps children to develop their independence and responsibility by looking after their own equipment.

Stationery is available at cost-effective prices from our school stationery shop.

SchoolMoney

Please clear all outstanding debt as soon as possible. We have over £700 owed in dinner, breakfast and twilight club arrears. Thank you.
