

Castles and Dragons

Science

We will start by learning about the human body and the five senses.

We will use what we have learnt to make links with other animals and how they adapt their bodies.

PSHE

Children will learn about how we earn money through different jobs. They will learn about different skills people need to undertake different jobs. We will also think

About what they might like to do when they are older.

Computing

During computing the children will learn to input data about their rockets into a table

DT

During our DT lessons we will explore different mechanisms used in books and create our own. These include, wheels, sliding and pivot mechanisms

PE

In gymnastics we are going to explore and develop basic gymnastic actions on the floor and using low apparatus.

In net and wall games, we are going to be learning how to defend, hit with a racket and play against an opponent.

Reading

- Zog
- George and the Dragon
- Rapunzal

History

We will be learning about what a monarch is, comparing different monarchs and developing key skills such as ordering events and asking and answering questions.

English

In English we will be learning...

- 'and' to join clauses
- Applying phase 5 graphemes.
- Continuing to write descriptions and short narratives.

Music

We will be learning 'The Dragon Song' and developing our music skills, particularly using our voice and woodwind instruments.

Maths

In maths we will be learning:

- Numbers and counting
- Place value
- Number facts
- Fractions
- Addition and subtraction
- 3D shapes
- time
