-
- It is intended that this template should be used as preparation for the completion of the statutory DfE PE and sport premium digital expenditure reporting return. You can upload data (including swimming) from this template onto this platform once it becomes accessible.
 - The template is a working document that you can amend and update during the year.
 - Before you decide how you are going to use the funding for this academic year you should reflect and evaluate the impact of your use of you PE and sport premium funding in 2024/25.
 - You should use your evaluation of last year's funding to help you decide what to do this academic year, how you will do it, and what impact you expect it to have.
 - All spending of the funding must conform with the terms outlined in the conditions of grant
 - The summative digital expenditure reporting from June 2026 will continue to include swimming and water safety information. PE and sport premium funding can be used to provide top-up lessons, where necessary, to ensure pupils meet national curriculum swimming requirements
 - To ensure funding is used effectively and based on your school's needs; guidance and examples of best practice across schools can be found here.
 - You must use the funding to make additional and sustainable improvements to the PE and sport in your school.
 - You must develop and add to the PESSPA activities that your school already offers.

Review of the last academic year (2024/2025)

- Take some time to reflect on your intent, implementation and impact from last academic year to celebrate your wins but to also think about improvements for the year ahead.
- You do not need to complete every box. Just record the information that is key to your school's priorities and areas of focus.

Remember - Be clear about how you focussed spending on key groups such as SEND, girls and disadvantaged pupils.

<u>Swimming and Water Safety</u>	What went well? Supporting evidence?	What didn't go well? Supporting evidence?
1. Swim competently, confidently and proficiently over a distance of at least 25 metres	75% of year 6 children met KS2	Some children refused to partake in the catch up sessions provided for them
2. Use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)	75% of year 6 children met KS2	Some children refused to partake in the catch up sessions provided for them
3. Perform safe self-rescue in different water-based situations	75% of year 6 children met KS2	Some children refused to partake in the catch up sessions provided for them

Key areas as outlined in PE and sport premium guidance	What went well? Supporting evidence?	What didn't go well? Supporting evidence?
1. Increasing confidence, knowledge and skills of all staff in teaching PE and sporting activities prioritising CPD and training where needed	Get Set 4 PE subscription allows teachers to have access to high quality PE resources to deliver high quality teaching and learning	Gymnastics is still an area teachers do not feel confident teaching, whole school CPD needed.
2. Increasing engagement of all pupils in regular physical activity and sporting activities	89% of children working at in PE Lots of children send in sporting achievements A range of children participate in after school clubs Active brain breaks throughout the day Active lunchtimes	Explore what could be done at breaktimes

3. Raising the profile of PE and sport across the school, to support whole school improvement	89% of children working at in PE Lots of children send in sporting achievements A range of children participate in after school clubs	Active brain breaks that are subject specific
4. Offer a broader and more equal experience of a range of sports and physical activities to all pupils and ensure equal access to sport for boys and girls	A broad curriculum through Get Set 4 PE Range of extra-curricular activities	Could staff offer more clubs to provide an even broader range of activities

5. Increasing participation in competitive sport	Participated in a range of competitions – football, archery, tag rugby, swimming, year group festivals, inclusion events, cross country, Mini Olympics as well as many others	School calendar updated regularly to ensure staff know when events are coming up

Aims for the next academic year (2025/2026)

association for
PHYSICAL EDUCATION

- Using your whole school priorities, school development plan and previous PE, school sport and physical activity data, set out your aims for the year ahead.
- Think about specific areas of need such as **inactive girls, SEND and disadvantaged pupils**
- Remember to also input your swimming data and reflections in the table located at the bottom of this page.
- Consider which of the 5 key areas improvements will be focussing on:
 1. *Increasing confidence, knowledge and skills of all staff in teaching PE and sporting activities prioritising CPD and training where needed.*
 2. *Increasing engagement of all pupils in regular physical activity and sporting activities*
 3. *Raising the profile of PE and sport across the school, to support whole school improvement*
 4. *Offer a broader and more equal experience of a range of sports and physical activities to all pupils and ensure equal access to sport for boys and girls*
 5. *Increasing participation in competitive sport*

PHYSICAL EDUCATION

- Please aim to use this as a live working document through the year.
- Keep returning to this to evidence adaptations and progress made through the PESSPA opportunities you provide.
- There is no set number of objectives you must have.
- Make as many or as few as you see fit that will support your aims for the year ahead.
- Consider which of the 5 key areas improvements will be focussing on:
 1. *Increasing confidence, knowledge and skills of all staff in teaching PE and sporting activities prioritising CPD and training where needed.*
 2. *Increasing engagement of all pupils in regular physical activity and sporting activities*
 3. *Raising the profile of PE and sport across the school, to support whole school improvement*
 4. *Offer a broader and more equal experience of a range of sports and physical activities to all pupils and ensure equal access to sport for boys and girls*
 5. *Increasing participation in competitive sport*

Plan, monitor and evaluate (2025/2026)

Example objective shown below is for reference purposes only:

	Intent – what is your objective?	Implementation - How will you achieve this?	Impact - What do you hope to see?	Supporting evidence
Plan and monitor	Develop lunchtime play provision to increase activity for least active groups.	Develop pupil leadership (training programme), Midday supervisor training, Staff CDP to develop their understanding of games and play, Range of equipment, Youth voice activities to understand pupils wants and needs Outdoor play provision such as OPAL	A confident and competent group of activity leaders that take initiative and create a more active and inclusive playground for all pupils. Midday supervisors and all staff leading a range of physical activities and joining in with movement daily to role model. A happier, more active playground that meets the needs of all pupils especially SEND and girls.	Youth voice data through half-termly surveys and interviews/group discussions with a variety of pupils (leaders, children participating and those that are less active at break times). Conduct regular observations of the playground to gauge activity levels of the least active children. Staff voice and feedback
	What impact have you seen?	Are the improvements sustainable? How?	Supporting evidence	Approx. cost
Evaluate	Activity leaders are leading a broad range of activities and actively seeking children that are not engaged in physical activity during lunch times. Midday supervisors have grown in confidence and far more active and engaged in games with the children. Lunch times are more active with children having fun. Activity options have been tailored to suit the needs of SEND pupils through considerate choices of equipment and the types of games played. Girls are proving to be the hardest group to engage as some are still choosing not to be active	Continued training for activity leaders and bringing new leaders into the group to bring new ideas and expertise. More leaders will also mean more activities are able to be delivered. Continued training with midday supervisors. Establish lead midday supervisors to empower them and give them ownership. Continue to listen to SEND pupils and tailor activities to their needs and wants. Focus priorities on engaging girls. Work with least active girls to create activities that are meaningful and enjoyable for them. Do they want to be activity leaders for younger children to give them purpose and confidence?	100 out of 100 activity leaders want to carry on with this role next year. 30 more children have enquired to joining the team. Meetings and the end of year survey have shown all leaders feel positive and enjoy making a difference for others. Interviews by random selection were conducted and 92% of pupils were either 'happy' or 'very happy' with the activities on offer at lunch time. End of year physical activity survey findings such as: - Am I involved with games at lunch time - 89% Yes - Do I enjoy lunch time? 97% Yes - Have I joined in with a game with the activity leaders? 100% Yes	Physical Resources - £1000 CPD for staff - £500 OPAL - £8000
