Monday 21st September 2026

Dear Parent / Carer,

Spelling Shed Years 3-6

This week, children will be sent home with log in details for the online platform 'Spelling Shed'.

What is Spelling Shed?

Spelling Shed is a scheme of work that uses games and activities to help children learn multiple methods for approaching spelling. This means teaching strategies rather than simply memorising words. It's designed to be engaging and motivating, helping children build confidence in their spelling abilities. Your child will be given a login to access Spelling Shed. You can find the website here: https://play.edshed.com/en-gb. There is also an app that you can pay for and download if you wish to.

How can you help at home?

Please encourage your child to log into Spelling Shed and play the online assignments set by their teacher. There are a wide-range of games that children can access and they will explore these at school over the next few weeks. We know how powerful the impact of positivity can be, so please celebrate their progress and achievements on Spelling Shed.

More information on how to use the platform can be found here.

We believe that Spelling Shed will be a valuable resource for your child, providing them with multiple spelling strategies, targeted practice and increased confidence.

If you have any questions, please do not hesitate to contact your child's class teacher.

Yours sincerely,

Mr Appleby
English Leader
